

**VEHICLE DISINFECTION, LONG-TERM ANTIMICROBIAL PROTECTION
... AND MUCH MORE**

PermaSafe is a revolutionary Vehicle Disinfection and Long-Term Antimicrobial Surface and Air Protection System that:

- Kills 99.999% of bacteria and viruses
- Eliminates odors and allergens
- Destroys and inhibits future growth of mold, mildew & other microbes
- Repels and resists stains from liquids, dirt and other spills
- Sanitizes HVAC systems and ductwork
- Continuously purifies passenger cabin air
- Makes interior surfaces antimicrobial and virtually "Self-Sanitizing"
- Shields and helps extend life of upholstery, carpets and other surfaces

**LASTS AND REMAINS ANTIMICROBIAALLY EFFECTIVE FOR MONTHS & MORE
CONTINUOUS PROTECTION WITHOUT THE USE OF HAZARDOUS CHEMICALS**
